ADVERTISEMENT NOTICE
SR 169 & SR 509 – Fish Passage

WSDOT will use a two-step procurement process to select a Design-Build Contractor to deliver the Project. The Request for Qualifications (RFQ) is issued as the first step to solicit information in the form of Statements of Qualifications (SOQ). The SOQs will be evaluated to create a short-list of the most highly qualified Design-Builders. The short-listed Design-Builders will then be issued a Request for Proposals (RFP). The proposals will be evaluated and WSDOT will select the proposal that provides the best value, based on price and other factors.

This information is preliminary and is subject to change. **Under no circumstances should the advertisement information be used for bidding or construction purposes.**

Engineer's Estimate: Approximately \$60 Million to \$80 Million.

Prequalification: Work Class 6 in the amount of \$20 Million.

Scope of Work: The purpose of this Project is to remove seven (7) existing fish barriers and replace them with fish-passable crossings, and one (1) weir removal at the following locations:

Route	Milepost (MP)	WDFW Site ID	Creek Name
SR 169	8.27	997693	Unnamed Tributary (UNT) to Ginder Creek
SR 169	8.27	930609	Unnamed Tributary (UNT) to Ginder Creek
SR 169	8.29	997694	Ginder Creek to Rock Creek
SR 169	7.10	935056	Rock Creek to Jones Lake
SR 169	7.15	997691	UNT to Jones Lake
SR 169	7.25	997692	UNT to Jones Lake
SR 509	24.42	997679	Miller Creek
SR 509	24.40 (weir removal)	936227	Miller Creek

The Project shall include, but is not limited to, the following:

- Design and construction of fish passable water crossing and structures, including all associated stream restoration.
- Acquisition of environmental permits
- Temporary and permanent utility adjustment and relocation.
- Other elements including, but not limited to embankment, grading, retaining walls, paving, storm drainage, maintenance of traffic, ITS, signing, illumination, erosion control, and planting.

The RFQ will be advertised on August 3, 2023. A Voluntary Submitters Meeting is scheduled for August 14, 2023, via an online audio/video using Microsoft Teams. An invite notice will be available on the WSDOT website at: <https://wsdot.wa.gov/business-wsdot/contracting-opportunities/sr-169-sr-509-fish-passage>

Firms interested in participating on this Project should visit https://public.govdelivery.com/accounts/WADOT/subscriber/new?topic_id=WADOT_720 to have their company added to the interested parties list and to receive future notices on this project.
